

**Task:** How to log into Citrix

Citrix provides desktop applications to all SVI users. This desktop can be accessed from any internet accessible computer.

**Solution:**

- Open a browser window (Internet Explorer, firefox, Chrome). In the address field, type in [citrix.seattlecentral.edu](http://citrix.seattlecentral.edu) and press enter. The link can also be access via the IT Services Website, Citrix link.
- Input <User name> and <Password> click <Log On>
- Select either Desktop (1) or Desktop (2) as they are the same
